FAQ

VENUE CAPACITY

Bar/ Bat Mitzvah - 175 adults / 250 kids
Cocktail Style Event - 400 adults
Concert with limited seating - 500 adults

HOW MANY HOURS DOES THE RENTAL FEE RESERVE THE SPACE?

Events at Underground Arts typically last five hours unless stated otherwise. The venue allows for a three-hour period prior to the event for load-in and a one-and-a-half-hour period post-event for load-out. Additional hours will incur a rate of \$500/hr

WHAT IS A HOLD?

Oftentimes, we have a number of touring concerts and other potential events with holds ahead of the date. Once you are ready to attempt to confirm the date and issue a deposit, it is concert industry standard practice to give the events holding ahead 72 business hours' notice to either confirm their event or release their hold. Please be aware that we cannot formally confirm a rental event or rate until all holds ahead are clear and we've received a deposit.

HOW LONG IS MY PRICING CONFIRMED?

Typically your holds and venue pricing will be valid for 30 days after they are initially placed, but if no other events are inquiring about the date and you need more time, we may be able to hold it for longer.

WHEN CAN SET UP BEGIN?

Vendors / event planners, etc may enter the venue 3 hours prior to event start time.

HOW LONG DO I HAVE ACCESS TO THE VENUE DAY OF THE EVENT?

Your Manager on Duty will provide you with access. Sara will provide you with a Day Of event contact.

FAQ

CATERING & BAR

CATERING

Menu packages are designed by Leslie Frankel. She and her staff are the primary backstage caterer for The Mann Music Center and The Met as well as other music venues in Philadelphia with over 25 years of experience. Underground Arts specializes in cocktail-style receptions with heavy hors d'oeuvres. Our event planners and culinary team take food allergies very seriously and are able to safely accommodate all dietary restrictions.

BAR

Underground Arts has two main bars and one satellite bar offering a full selection of spirits, beer, and wine. Our award-winning beverage team can develop signature cocktails and mocktails for your function.

ADDITIONAL CHARGES

RENTAL FEE

The rental fee includes hourly staffing, sound and lighting technicians, security, room setup & breakdown, a manager on duty, and the assistance of a general manager to coordinate logistics from the time an event is confirmed. It also includes existing venue furniture (tables & chairs), and our PA / sound system. It does not include additional staffing needs, equipment rentals, furniture rentals, or catering.

EVENT FEE

A percentage of the total rental, food and beverage, and service add-on charges will be added to the bill as a Special Events Fee which is used to offset the cost associated with the administration of your event and is subject to all applicable sales taxes. This is NOT a gratuity and will NOT be distributed to members of the service staff. The event fee covers all of the administrative logistics of planning the event. Including but not limited to coordinating with the management team, in-house staffing, clearing booking calendar, Client meetings, timeline, and menu development, and handling vendor load in/load out, etc.

GRATUITY

Underground Arts charges a 20% gratuity based on food and beverage. 100% of the gratuity goes to the waitstaff, bartenders, and other service personnel. It is intended to reward the staff for their efforts and ensure high-quality service.

SALES TAX

A standard 6% sales tax will be applied where required by law

DECOR LIASON

In the event you are not hiring an onsite day-of event planner, decor services are not included in the pricing agreed to in this contract. UA can provide an on-site decor coordinator for the setup and breakdown for the day of your event for an additional fee of \$250.
